10th Anniversary Madeira Linedance Party better value than ever before!

One step forward, two steps back took on a whole new meaning when easyJet decided to stop flights from Stansted this winter, causing major disruption to all the plans we'd made for our 10th Anniversary Madeira Linedance.

With numerous phone calls and emails, hard work and a refusal to be beaten we went back to basics and set up a top class package in association with the Monumental Lido management and the world's most experienced tour operator, **Thomas Cook**. Although we can't get flights from either Stansted or Luton this holiday has so many extras included and is such a good price that a bit more travel time to the departure airport will be well worth the effort.

Here's what we've lined up. The best two DJ/instructors, Johnnie and Sylvie. Fabulous live music with Dave Anderson of the ThrillBillies. More live music from special guests, 'Legs & Co', lunch with drinks on arrival (no need to pay high prices for an airline sandwich!), FREE excursion to the newly refurbished Oasis hotel with afternoon tea, dinner and linedancing on the new wooden floor in the air-conditioned dance room.

All this and it's almost £40.00 less than last year!

£475.00 (mountain view), £525.00 (sea view). Limited single rooms are available, please contact for information. No flight supplements for any of the 5 departure airports - Gatwick, Birmingham, East Midlands, Manchester and Glasgow

Popeye, Capt. Hook, Dennis the Menace, Beryl the Peril, Top Cat, Woody, Fred & Wilma Flintstone, Tweedle-Dum & Tweedle-Dee, SuperLady, Andy Capp & Flo, Mickey and several Minnie Mouse(s) plus a whole load more cartoon characters invaded the dance-floor for our recent Linedance Party in Folkestone.

There was non-stop linedance entertainment from **Johnny 'legs'** and **Sylvie** and a fabulous reception for superb linedance Singer, **Rick Storm**, who's already been re-booked for our **Summer 2012 Linedance Party** at a fantastic new venue (more details available soon).
